WEEKEND COCKTAIL ◦ 470

BEER AND CIDER

330 мл

Delirium Red

Belgium. ◦ 470
ABV 8%
A fruit and flavoured dark-red cherry beer made by the heroes that gave the world Delirium Tremens. Based on their blonde ale, it has a light pink, compact head, a soft aroma of almond and sour cherries, and tastes tangy and fruity, with a perfect balance between sweet and sour.

Chimay Red Cap

Belgium. ◦ 490
ABV 7%
The Chimay Red Cap is a splendid amber beer. Brewed by the Cistercian monks from the Abbey of Scourmont, it is granted the title of trappist beer. Topped with a creamy head, it gives off a slight fruity apricot smell from the fermentation. The aroma felt in the mouth is a balance confirming the nutty nuances revealed to the sense of smell.

500 мл

Schaffler Premium Gold

Germany. ◦ 420
ABV 5.2%
Favorite beer of the brewery Schaeffler. Light beer with a rounded malt body and a rich amber color. For its production, spring water is used from a height of thousands of meters above sea level.

Aecht Schlenkerla Rauchbier Märzen

Germany. ◦ 420
ABV 5.1%
Brown, full-bodied, medium hopped, toasted malt notes, tar notes, smoky notes.

William's Midnight Sun

Scotland. ◦ 450
ABV 5,6%
A black porter style beer, created from a blend of malted barley, oats, roasted barley and chocolate malt, balanced with a generous handful of hops and a wee bit of fresh root ginger. We really like it and hope you do too!

William's Fraoh

Scotland. ◦ 450
ABV 5,0%
This Heather ale is the oldest style of ale still being made in the world. It has a peaty floral aroma, spicy herbal flavour & dry finish.

William's Seven Giraffes

Scotland. ◦ 450
ABV 5,1%
An electric blend of 7 varieties of malted barley with fresh cone hops from around the world, wild elderflowers and lemon zest to create a refreshing, aromatic and moreish beer.

O'Hara's Irish Red

Ireland. ◦ 450
ABV 4,3%
Ruby-coloured beer with traditional light hop flavour. Balances the sweet malty caramel taste which finishes with a distinctive roast bite. The addition of a pinch of roast barley during the brewing process lends a distinctive bite which is balanced by a crisp medium bitter

Thatcher's Old Rascal

UK. ◦ 520
ABV 4,5%
A medium dry cider made from a blend of apple varieties. Mostly bottled but also available on draught in the Wetherspoons Spring 2010 festival at 4.9% Legend has it that every night, under the cover of darkness, a wily old fox crept out of his den at the bottom of our orchard and tiptoed his way to the cider store to help himself to fresh supplies. It's understandable though, once they have a taste, most people can't get enough of this rather distinctive Somerset cider.
